To be part of a zen, inspiring, satisfying and motivating trend for the start of the school year, Exacompta presents the Skandi range!

With its 4 choices of light and original colours, Skandi filing products will allow you to shine a light on your organization, for ever greater clarity.

This folder, also called a pocket square, is made from real glossy card, a unique, noble and ecological material, resistant to daily use.

Thanks to the 3 flaps and the elastic retaining straps, the files are carefully protected. The back label also allows you to identify the contents.

100% French manufacturing, material and processing in the Exacompta-Clairefontaine factories. The product is also FSC® certified.
